

# BARIATRIC CARE AND TREATMENT RELEASE OF HEALTH INFORMATION CONSENT

Patient Name: \_\_\_\_\_ Date of Request: \_\_\_\_\_

Baylor Medical Center at Trophy Club participates in the Metabolic Bariatric and Surgery Quality Improvement Program (MBSAQIP). As members of this program, it is a requirement to document outcomes to bariatric procedures. In the event you are readmitted to another facility due to complications related to your bariatric procedure the Bariatric Clinical Reviewer or Bariatric Coordinator at Baylor Medical Center at Trophy Club can access the following records from that facility:

- History & Physical
- Operative/Endoscopy Report
- X-Ray & Imaging
- Discharge Summary

I, \_\_\_\_\_, authorize the following entity to release the above listed protected health information to **Baylor Medical Center at Trophy Club**.

Name: \_\_\_\_\_

Address: \_\_\_\_\_

Phone: \_\_\_\_\_ Fax: \_\_\_\_\_

**Reason for Release:** Bariatric Follow-up for Quality Improvement; these records are only accessed to input data into the MBSAQIP database.

(TX Health & Safety Code 241.152 (Vernon 2001) requires the reason or purpose of the release to be stated)

- Personal health information that is disclosed may be re-disclosed by the recipient but will no longer be protected by Federal Privacy Regulations.
- BMCTC does not require the patient to sign this release in order to receive treatment or payment or to enroll or to be eligible for benefits.
- This authorization for release of information can be revoked at anytime in writing.
- If a patient's personal representative signs this authorization, the authorization also **must** include a description of that person's authority to act for the patient.

Patient Name (please print): \_\_\_\_\_

Patient or Legal Representative Signature (sign): \_\_\_\_\_

Social Security #: \_\_\_XX\_\_\_/\_\_\_XX\_\_\_ Patient DOB: \_\_\_/\_\_\_/\_\_\_

\* Under Texas Law, you have 15 business days to respond to all release of information requests.
